

Synopsis: Lochs and Lasses

A Knight's Duel

Sir Devon of Clyde has been sent to escort the lovely Saxon princess, Adele, home to wed his king's son. However, due to unseen circumstances, tables turn by the time they arrive. Instead of becoming a bride, Adele's very life is in danger from his king and Devon must make the most knightly decision of his life.

Sword of the Highlander

When a medieval sword arrives at a costume shop in Haight-Ashbury, Cassidy Gordon has no inkling a time-traveling Highland warrior will come to claim it. But until her boss returns, she is not about to let him have the sword—even if Niall MacChumail is the most virile, seductive and persuasive man she's ever met.

Border Rogue

Desperately needing money to pay mercenaries, Sir Aidan MacDouall abducts a noble's daughter, Juliana Colbert, from an English abbey and hies back to Scotland to wait for the ransom. Unfortunately, the winsome lass turns out to be the wrong woman—and the Earl of Buchan believes in giving no quarter to anyone with a drop of English blood.

Dark Kiss

A "Fantasy Party" weekend sounds perfect for Brooke Michaels. She could use a break from her boring, daily routine in London and maybe the hosts could conjure up a handsome vampire to play with. However, something goes wrong and Brooke finds herself back in the middle of Robert the Bruce's war with King Edward II and not a vampire in sight. Or is there?
